XIII.—The Pathogenesis of Otosclerosis—Treatment. By PROFESSOR GHERARDO FERRERI, Rome, Italy. Translated by W. SOHIER BRYANT, A. M., M. D., New York.....	94
XIV.—Some Remarks on Sinus Thrombosis With Particular Reference to the Diagnostic Value of the Blood Cultures in Otitic Disease. By SEYMOUR OPPENHEIMER, M. D., New York .....	109
XV.—Case of Aural Suppuration Presenting Irregular Symptoms. By EDWARD BRADFORD DENCH, M. D., New York .....	129
XVI.—A Case of Sinus Thrombosis With Extensive Accumulation of Fluid Pus in the Sinus—Recovery After Resection of the Jugular Vein. By ROBERT L. LOUGHRAN, M. D., New York.....	134
XVII.—Mechanical Aids to Hearing. By PERCY FRIDENBERG, M. D., New York.....	138
XVIII.—Physiologic Vestibular Nystagmus. By J. R. FLETCHER, M. D., Chicago.....	144
XIX.—Preliminary Report of the Improved Technic of the Thiersch Graft Following the Radical Mastoid Operation. By CULLEN F. WELTY, M. D., San Francisco.....	167
XX.—The Lateral Wall of the Cavum Nasi in Man, With Especial Reference to the Various Developmental Stages. By JACOB PARSONS SCHAEFFER, M. D., Ph. D., Ithaca.....	277
XXI.—Accessory Thyroid Tumors of the Tongue. By H. E. SMYTH, M. D., Bridgeport, Conn.....	367
XXII.—Reports of Three Cases of Mental Derangement Associated With Suppurative Otitis Media. By EWING W. DAY, M. D., Pittsburg.....	388
XXIII.—Subdural Drainage in Purulent Meningitis and Brain Abscess. Reports of Two Cases With Autopsies. By EWING W. DAY, M. D., Pittsburg.....	394
XXIV.—Some Rambling Thoughts Concerning the Radical Mastoid Operation. By FRANK ALLPORT, M. D., Chicago .....	400

TABLE OF CONTENTS.

V

XXV.—Four Cases of Foreign Body in the Esophagus Removed With the Aid of the Esophagoscope. By SIDNEY YANKAUER, M. D., New York City.....	414
XXVI.—Two Cases of Foreign Body in the Bronchus; A Case of Tumor in the Lower Trachea; Removal by Upper Bronchoscopy. By SIDNEY YANKAUER, M. D., New York City .....	418
XXVII.—A Speculum for the Direct Examination and Treatment of the Eustachian Tube. By SIDNEY YANKAUER, M. D., New York City.....	421
XXVIII.—Mastoiditis Without Apparent Involvement of the Middle Ear. By CHARLES E. PERKINS, M. D., New York City .....	423
XXIX.—A Case of Spindle-Celled Sarcoma of the Mastoid. By OTTO GLOGAU, M. D., M. U. D. (Vienna), New York City .....	428
XXX.—Mastoiditis Followed by Cerebral Symptoms; Relieved by Decompression Operation. By CHARLES E. PERKINS, M. D., New York City.....	432
XXXI.—Report of Two Cases of Cerebellar Abscess with Thrombosis of the Lateral Sinus; Operation, Recovery. By D. S. DOUGHERTY, M. D., New York City.....	434
XXXII.—On the Possible Effect Upon the Auditory Labyrinth of the Ehrlich-Hata Remedy in the Treatment of Syphilis. By PROF. G. ALEXANDER, M. D., Vienna, Austria .....	441
XXXIII.—A Preliminary Report of Some Two Years' Experience in Modified Blood-Clot Surgery of the Mastoid Region, with Presentation of Cases. By HUGH B. BLACKWELL, M. D., New York City.....	450
XXXIV.—The Selection of Cases of Chronic Suppurative Otitis in Which Ossicectomy Is Indicated. By O. A. M. McKIMMIE, M. D., Washington.....	454
XXXV.—Report of Three Cases of Removal of Coins from the Esophagus of Infants by a Simple Procedure. By HARRY L. MYERS, M. D., Norfolk.....	460

XXXVI.—Osteofibroma Occupying the Tonsillar Fossa (Probably of Styloid Process). By A. L. KELSEY, M. D., Los Angeles .....	463
XXXVII.—Examination and Treatment of the Eustachian Tube by the Aid of the Nasopharyngoscope. By E. M. HOLMES, M. D., Boston.....	511
XXXVIII.—The Actual Cautery in the Treatment of Localized Tuberculous Lesions. By GEORGE B. WOOD, M. D., Philadelphia .....	531
XXXIX.—The More Efficient Methods of Aural Massage. By ALEX. RANDALL, M. D., Philadelphia.....	536
XL.—Are the Tonsils a Menace or a Protection? By HENRY L. SWAIN, M. D., New Haven.....	545
XLI.—The Technic of Tonsillectomy. By J. M. INGERSOLL, M. D., Cleveland.....	562
XLII.—The Relation of Enlarged Tonsils to Endocarditis. By ALBERT C. GETCHELL, M. D., Worcester, Mass.....	565
XLIII.—Cases of Late Secondary Hemorrhage After Tonsillectomy. By F. E. HOPKINS, M. D., Springfield.....	575
XLIV.—The So-called Conservative Mastoid Operation, With a Description of the Technic of Heath, Bondy, and Siebenmann. By GEORGE L. RICHARDS, M. D., Fall River, Mass. ....	578
XLV.—Injections of Blood Serum for Hemorrhage, Either Spontaneous or Postoperative. By CLEMENT F. THEISEN, M. D., Albany.....	595
XLVI.—Intracranial Lesions Complicating Acute Aural Disease. By S. MACCUEEN SMITH, M. D., Philadelphia.....	601
XLVII.—The Etiology of Otosclerosis. By W. SOHIER BRYANT, A. M., M. D., New York.....	612
XLVIII.—A Case of Rarefying Osteitis of the Mastoid Bone. By CHARLES W. RICHARDSON, M. D., Washington.....	618
XLIX.—Blood Cultures in Otology. By FREDERIC E. SONDERN, M. D., New York.....	621

## TABLE OF CONTENTS.

VII

L.—Supernumerary Auricle Associated With Chronic Suppurative Otitis Media. By HAROLD HAYS, A. M., M. D., New York .....	627
LI.—Case Report of Extirpation of the Larynx. By ROBERT H. CRAIG, M. D., Montreal.....	629
LII.—Six Cases of Acute Suppurative Otitis Media in One Family, With Remarks on the Complications. By HAROLD HAYS, A. M., M. D., New York.....	633
LIII.—Mucocoele of the Nasal Accessory Sinuses—Report of Three Cases (Ethmoid, Maxillary Antrum, Frontal), With Tabulation of Thirty-seven Cases. By HILL HASTINGS, M. D., Los Angeles.....	638
LIV.—The Anatomy and Physiology of the Salivary Glands. By R. JOHNSON HELD, M. D., New York.....	655
LV.—Symptoms and Diagnosis of Diseases of the Salivary Ducts and Glands. By ROBERT C. MYLES, M. D., New York .....	664
LVI.—Treatment of Diseases of the Salivary Apparatus. By JOSEPH C. BECK, M. D., Chicago.....	667
LVII.—Fibroma of the Nasopharynx, With Report of Four Cases. By W. B. CHAMBERLIN, M. D., Cleveland.....	683
LVIII.—The Spread of Bacterial Infections From the Nasal and Nasopharyngeal Cavities by Way of Lymphatic Channels. By A. LOGAN TURNER, M. D. (Edin.), F. R. C. S. E., F. R. S. E., Edinburgh.....	751
LIX.—The Ear and Social Hygiene. By PERCY FRIDENBERG, M. D., New York.....	784
LX.—The Relation of Age to Tonsillar Infection. By HARRY A. BARNES, M. D., Boston.....	789
LXI.—Cartilaginous Tumors of the Larynx. By JAMES J. CARROLL, A. M., M. D., Baltimore.....	807
LXII.—A Case of Multiple Foreign Bodies in the Smaller Bronchi. By F. E. HOPKINS, M. D., Springfield.....	825
XLIII.—Contribution to Passive Immunization in Diphtheria of the Upper Respiratory Organs. By HENRY LEWIS WAGNER, M. D., San Francisco.....	827

LXIV.—Circulatory and Respiratory Reflexes and Neuroses From the Upper Air Tract. By W. SOHIER BRYANT, A. M., M. D., New York.....830

LXV.—Pneumococcus Infections of the Throat. By HAROLD HAYS, A. M., M. D., New York.....835

LXVI.—Methods of Giving Anesthesia in Operations Upon the Upper Respiratory Tract. By JAMES T. GWATHMEY, M. D., New York.....841

LXVII.—Nasal Accessory Sinuses—Different Methods of Treatment. By LEE M. HURD, M. D., New York.....851

LXVIII.—Treatment of the Mastoid Wound Following Operation. By H. BEATTIE BROWN, M. D., New York.....861

LXIX.—Insertion and Seat of Rhinopharyngeal Fibromata. By D. JACQUES, M. D., France.....881

LXX.—Conservative Radical Operation on the Middle Ear. By DR. STACKE, Erfurt, Germany.....893

LXXI.—Summary of Annual Reports of the Tuberculosis Sanatoria in the United States and Canada. By J. W. GLEITSMANN, M. D., New York.....902

SOCIETY PROCEEDINGS .....181, 467, 694, 911

New York Academy of Medicine, Section on Otology.....181,
